Without grape no wine, without grape based pomace no grappa

During a guided tour of the Wezl private distillery, Jochen explains the creation of grappa and the important role played by the grape. Both the grappa and the accompanying wine will be tasted. Because wine and grappa harmonize excellently with chocolate, this sweet seduction is served for tasting.

Meeting point: Riffian/Rifiano, Distillery Wezl

Thursday | 16/04/2026 10:00 – 12:30

Golden Wings, Sweet Nectar!

What's the difference between wild bees and domesticated bees, how is a colony structured, and how is honey actually made? Beekeeper Walter will answer these questions and share fascinating insights into the lives of nature's tireless helpers. Wearing protective gear, you'll get to look inside a beehive and experience first-hand how honey is created, harvested and processed. Afterwards, you'll make your own beeswax wrap to take home as a souvenir and finish by tasting the farm's own honey products.

Meeting point: St. Martin/S. Martino, tourist office

Discover the treasures of the past

Join Heinrich on a cultural-historical hike around Riffian/Rifiano. First, our path takes us to the pilgrimage church „Zu den sieben Schmerzen Mariens“, where Sepp shares fascinating insights into the centuries-old pilgrimage tradition. We then continue together with Heinrich to the prehistoric Burgstall settlement from the Iron Age and learn interesting facts about life in bygone times. We finish the excursion with a lunch at the Luferkeller.

Meeting point: Riffian/Rifiano, tourist office

Walking time: approx. 2 h | **Difference in altitude:** approx. 100 m

From Blossom to Bite

You love apples, but have never thought about who is behind the juicy-sweet vitamin bombs? Then a guided apple tour through the orchards is just the thing for you. Our apple farmer accompanies you through the apple meadows and tells you interesting facts about the diverse fruit. Afterwards, farmers Gitti and Sepp will make, bake and, of course, taste „Apfelkiachl“ (apple fritters).

Meeting point: Riffian/Rifiano, tourist office

Walking time: approx. 1 h | **Difference in altitude:** approx. 100 m

Wednesday | 22/04/2026 10:00 – 16:00

Such a cheese!

A very special pleasure hike for you! From the Schafflerhof farm above Saltaus/Saltusio, you'll take the scenic Merano High Mountain Trail to the Schupferhof farm cheese dairy. During a guided tour, you will learn everything about the production and origin of the farm's own cheeses. After the tour, you can put your senses to the test and taste the different types of cheese. After the tasting, you will walk back to St. Martin/S. Martino.

Meeting point: St. Martin/S. Martino, tourist office

Walking time: approx. 3.5 h

Tuesday | 12/05/2026 05:00 – 10:00

Spotting the Wild

Have you ever seen a chamois in the wild or a golden eagle soaring overhead? In the Passeiertal Valley, you'll follow the tracks of deer and chamois with experienced hunters and learn to read the signs of nature. The hunters explain how hunting has been part of nature conservation since the 19th century and helps maintain the ecological balance. At the end, enjoy a delicious breakfast at Prantacher Alm hut.

Meeting point: St. Leonhard/S. Leonardo, tourist office

Walking time: approx. 3 h | **Difference in altitude:** approx. 500 m

Wednesday | 13/05/2026 10:00 – 15:00

Delight from the Water

Discover regional fish cuisine at the Fischzucht Schiefer (fish farm). In the cooking course, you will learn how trout and char are raised responsibly and processed carefully. In addition to practical tips on filleting, seasoning, and cooking, you'll gain insights into the fish farming tradition in the Passeiertal Valley and topics such as sustainability and local production. At the end, we will enjoy the freshly prepared specialties together – an experience that combines taste and knowledge.

Meeting point: St. Martin/S. Martino, Fischzucht Schiefer (fish farm)

Friday | 15/05/2026 09:15 – 14:00

Mmm... mozzarella

How is a delicious mozzarella made? During a visit to Wegerhof farm in Stuls/Stulles, you'll get exclusive insights into the making of the Passeiertal Valley „white gold“ and see firsthand how fresh milk becomes flavorful mozzarella. Afterwards, we'll taste the mozzarella and other farm-made cheeses. Energized by the tasting, we'll set off on a walk along the Sonnenrundweg trail in Stuls/Stulles, enjoying the views over the Passeiertal Valley.

Meeting point: Moos/Moso, tourist office

Walking time: approx. 2 h | **Difference in altitude:** approx. 260 m

Saturday | 16/05/2026 10:00 – 12:00

Where Nobility and Faith Meet – A Historical Discovery Tour

Did you know that the Passeiertal Valley was once home to noble rulers? Our historical walk begins in St. Leonhard/S. Leonardo at the tourist information office. From there, we stroll to the parish church. We then continue to Jaufenburg Castle, the former ancestral seat of the Counts of Passeier. Inside the museum tower, centuries-old frescoes illustrate the life of this noble family. Just below, we visit the Heilig-Kreuz-Kapelle (chapel). We stop at the Brückenwirt brewery, where refreshments await us.

Meeting point: St. Leonhard/S. Leonardo, tourist office
