1. ORGANIZATION

The mountain run Ötzi Trailrun is organized by the tourism association of Naturno/Naturns, in cooperation with several relevant associations.

2. ÖTZI TRAILRUN

The event is a mountain run extending over the routes of the "Skyrace Naturno" (15 km and 1,150 m of altitude difference) and "Sunny Mountain Trail" (30 km and 2,100 m of altitude difference). The competitions both start in Naturno at Rathausplatz square on March 28, 2020 at 9:30 am (at the Sunny Mountain Trail) and 11:00 am (Skyrace Naturno). The final destination is also at Rathausplatz square in Naturno.

3. ROUTE INFORMATION

Skyrace Naturno – 15 km and 1,150 m of altitude difference

Sunny Mountain Trail – 30 km and 2,100 m of altitude difference

4. CONDITIONS OF PARTICIPATION

Terms of eligibility – open to all men and women who have reached the age of 18 by 27 March 2020 and meet the following requirements:

- Participants resident in Italy: must be in possession of a sports medical certificate for athletics according to art. 5 D.M.18.02.1982, issued by a sports doctor and valid on the day of the race. A copy of the medical certificate must be uploaded upon registration.
- Participants residing outside Italy: due to the legal regulations in force in Italy for participation in races held in Italy, participants residing abroad must present a medical certificate. A copy of the medical certificate, which you can download in advance from the registration portal www.oetzi-trailrung.com, must be uploaded upon registration.

Each participant must be able to complete the route on their own responsibility and as a partially self-sufficient person.

The Ötzi Trailrun runs partly along demanding routes and requires:

- good surefootedness
- lack of suffering from giddiness
- excellent physical and psychological condition
- partial self-sufficiency
- experience in Alpine cross-country running
- good orientation and safety on slippery terrain.

5. LIMITED STARTING PLACES

The number of participants is limited. A maximum of 300 people (per each distance) can participate in the race.

The organizers reserve the right to exclude persons from participation and to adjust the maximum number of participants.

In this case, the date on which the application was filed shall apply.

6. REGISTRATION

Participants can register online at www.oetzi-trailrun.com.

If a registered participant does not complete the registration, he/she is not entitled to a refund of the entry fee.

Registration is open from **15 August 2019** to 22 March 2020.

With registration at the Ötzi Trailrun, every participant accepts the rules of the competition.

7. PAYMENT

The collection of data and direct payment is done according to **RACE RESULT** and the organizer.

The registration is only valid after payment of the entry fee and correct registration.

8. RESIGNATION – PASSING ON A STARTING NUMBER

The registration fee will NOT be refunded. Exceptions are athletes who cannot start due to illness or injury and who present a medical certificate. In case of a shortening of the course or cancellation of the race due to force majeure, the registration fee will NOT be refunded and will not be credited for the following year.

In justified cases (injury, illness), a starting number may be passed on to third parties until 17 March 2020. A change to a shorter race (Skyrace Naturno) is possible without refund of the difference.

12. CATERING – SELF-CATERING

In the route map you will find a detailed list of the catering stations.

The following catering is provided at each supply point: natural water, energy drinks, nutritional bars, fruit, and dried fruit. The principle of partial self-sufficiency prevails.

Every participant is obliged to have the prescribed material with them during the race and after each supply point (see under Material).

The catering at the supply points is intended only for consumption on site, and may not be taken along. Only natural water is provided for filling Camelbaks or bottles.

Participants must carry their own drinking cup or suitable container with them.

13. ROUTE MARKING AND CHECKPOINTS

Each participant must adhere to the given and marked route. Any deviation from the course will be punished with disqualification (see also under Penalties). There are several checkpoints. These are mandatory. If a runner does not pass a checkpoint, he or she will be disqualified.

14. MATERIAL

With the registration, each runner accepts the obligation to carry all materials listed below during the entire run. Failure to do so will incur the imposition of penalties.

15. BACKPACK CONTROL

The backpack check will take place on Saturday, 28 March 2020 from 8 am (Sunny Mountain Trail) and 9:30 am (Skyrace Naturno) on the Rathausplatz square – at the entrance to the start area.

The mandatory material will be checked before the run, and can be randomly checked along the course and at the finish. The organizers may also request additional material as obligatory before the start.

16. RETURN TRANSPORT

If an athlete should discontinue their participation in the race for any reason, they are generally responsible for the return transport. At strategic points, a shuttle service is set up by the organizers. This is shown in the route map. The shuttle service is organized exclusively by the race control. Waiting times may occur.

17. ISSUING OF STARTING NUMBERS

Starting numbers will be issued in Naturno on 27 March 2020 at the town hall from 6 – 9 pm and on 28 March 2020 from 6 – 7:30 am (Sunny Mountain Trail) and until 9 am (Skyrace Naturno).

Every runner will receive a number at the race number distribution center:

- **Starting Number:** this must be attached to the front of the body in a clearly visible position. The race number allows the runners access to catering zones, medical and rest zones, showers and shuttle services. Starting numbers may not be passed on to other persons.
- **Chip:** free of charge and must be attached to the starting number. This must not be transported in a backpack. Before the start, each runner must go through the entrance gates to the closed start area in order to register.
- **Route Map:** all runners will receive a route map marked with the refreshment posts and other useful information.

18. BRIEFING

On Friday, 27 March at 7 pm an orientation briefing will be held in the town hall of Naturno, and additionally on Saturday, 28 March 2020 at the starting area at 8:30 am (Sunny Mountain Trail) and 10 am (Skyrace Naturno) concerning the competition. Every participant is obliged to participate.

19. ACCOMPANYING PERSONS

Accompanying persons are not permitted.

20. SAFETY AND MEDICAL CARE

Auxiliary posts will be set up along the route, which will be connected to the race control by radio or telephone. Along the territory of the route, ambulances, civil defense and doctors will be ready for action. The auxiliary services are intended to provide assistance to all persons in difficulty, either through the organizers' own resources or through contractual organizations. The control posts, doctors, helpers, White Cross and Mountain Rescue are authorized to exclude from the competition any participants who have not been found suitable to continue. The helpers are entitled to evacuate participants found to be in danger with all means at their disposal. If necessary, the official mountain rescue service will be used, which will take the lead in this case and use all suitable means, including helicopters. Only the employees of the organization decide on the necessity according to the interest of the person to be looked after. Any costs arising from the use of these extraordinary funds will be borne by the participants in accordance with the applicable regulations. A runner who turns to a doctor or assistant submits to his or her authority and undertakes to respect his or her decisions.

21. START – TIME LIMITS

The start of the race takes place on Saturday, 28 March 2020 at 9:30 am (Sunny Mountain Trail) and 11 am (Skyrace Naturno).

Time limits: 8 or 6.5 hours, so that the race ends on Saturday, 28 March 2020 at 5:30 pm.

- Start (Naturno) Saturday, 28 March, 9:30 am
- Texelbahn cable car 3 hours "Sunny Mountain Trail" (within Saturday, 28 March at 12:30 noon)
- Unterstell cable car 6 or 4.5 hours "Both Distances" (within Saturday, 28 March at 3:30 pm)

The time limits are marked on the route map. The runners must have left the control post with the broom runner at the end of the time. Runners who exceed the time limit will be removed from the race. The broom runner accompanies the last runners to the next checkpoint. All runners must follow the instructions of the track and control posts and the broom runners. Each competitor may, except in case of injury or exhaustion, finish the competition only at the control posts. The head of the post decides on any further procedure and the return transport. Each participant must report a withdrawal from the race to a track marshal or by telephone to the race control. In case of inclement weather conditions and/or safety reasons, the organizers reserve the right to interrupt the current competition or to change the time limits.

22. OFFENCES AND PENALTIES

- Lack of the prescribed backpack material at the finish line – 2 hours to disqualification
- Shortcut or leaving the marked track – Disqualification
- Refusal to control – Disqualification
- Intentional throwing away of waste of runners – Disqualification
- Use of a means of transport, sharing or exchanging race numbers, failure to pass a checkpoint, doping or refusal to undergo an anti-doping check, failure to provide assistance to another participant in difficulty, insults, disrespect or threats to members of the organization or to volunteers, gross unsportsmanship – Disqualification
- Non visible start number – 30 minutes
- Refusal to obey the instructions of the race management, a functionary, a doctor or a helper – Disqualification
- Absence of an electronic chip – According to the jury's decision
- Leaving the control post after the time limit has expired – Disqualification

During the race, officials will be present who are entitled to check the compliance of participants with the regulations. These officials are authorized to disqualify runners with immediate effect and to inform the jury of any infringements found. The jury of the race will impose penalties according to the following table:

This list does not claim to be exhaustive. In the event of disqualification, no reimbursement of costs will be made by the organizers.

23. RECLAMATIONS

Objections must be made no later than 30 minutes after the official announcement of the results on the notice board in the race office (5:30 pm) in written form, together with an

amount of 50 € payable to the race management. A decision will be made within the next half hour. In the event that the complaint is accepted, the amount will be refunded.

24. PANEL OF THE JURY

- OC – President
- Director of the Race Control
- 2 members of the OC
- Responsible for the track

25. DOPING

Each participant must abide by the internationally applicable doping rules. Any athlete may be subjected to a doping test before, during or after the run.

26. ROUTE CHANGE AND CANCELLATION

The organization reserves the right to change the route or the location of the auxiliary and supply posts as well as the time limits at any point without notice. For safety reasons, the competition may be cancelled at any time. In the case of inclement weather conditions, the start time may be postponed or cancelled. If necessary, the organizers reserve the right to modify or cancel some sections of the route. In the event of any change or abandonment of the competition, there will be no claims for a refund of the entry fees.

27. INSURANCE

The organizers take out liability insurance for the duration of the competition. Participation is undertaken by direct responsibility of the participants, who waive any appeal against the organizers in the case of damage or other consequences occurring after the competition.

28. IMAGE RIGHTS

All participants waive all rights to images taken or reproduced before, during and after the competition.
